CHARITY

We proudly support Team RWB during our 5k by giving a portion of the proceeds from race registration and the charity raffle towards the non-profit corporation that counters the effects of isolation and misunderstanding by bringing veterans a sense of belonging through physical fitness, community and relationship building. Team Red, White & Blue insists that all veterans have the opportunity to reclaim what was most precious about their military service: an unwavering sense of belonging born of challenges that show us what each of us is capable of. They positively impact lives by increasing physical, emotional and mental health. Support our veterans with us!
